ADVANCED IMAGING CONCEPTS

LIFETIME AUTHORIZATION
INSURANCE ASSIGNMENTS AND AUTHORIZATION TO RELEASE INFORMATION

I. RELEASE OF INFORMATION: I below named patient, do hereby authorize any physician examining and/or treating me to release any third payor (such as an insurance company or government agency, example: Blue Shield of Florida or Medicare) any medical records concerning diagnosis and treatment when requested by such third party for its use in connection with determining a claim for payment.

II. PHYSICIAN INSURANCE ASSIGNMENT: I, the below named patient or legal representative of patient, hereby authorize payment directly to Advanced Imaging Concepts, P.L. or any physician treating me in the group and/or medical benefits herein specified and otherwise payable to me for their services as described but not to exceed the reasonable and customary charges for these services.

III. MEDICARE/MEDICAID: Patient’s certification authorization to release information and payment requests. I certify that the information given by me is applying for payment under Title XVIII/XIX of the Social Security Administration/Division of Family Services or its Intermediaries or carries any information needed for this of a related Medicare/Medicaid (CMS) claim. I hereby certify all insurances pertaining to treatment shall be assigned to the physician treating me.

IV. I UNDERSTAND THAT I AM RESPONSIBLE FOR ANY AMOUNT NOT COVERED BY INSURANCE WHICH IS NOT A PROVIDER CONTRACTABLE WRITE OFF. I understand that Advanced Imaging Concepts (AIC) will make every effort to verify my insurance benefits and determine patient responsible amount prior to services rendered. This is not a guarantee of payment or benefits which will not be fully decided until the insurance plan processes the claim. In the event that there is a difference in the amount collected from the patient from what is patient responsibility determined by your insurance plan then the patient may be billed or refunded the difference.

V. Under our Courtesy Billing Program, we have asked your insurance company to pay us directly; however, some insurance companies may pay the patient instead. If this occurs, you are responsible to remit this amount to Advanced Imaging Concepts. We recommend that you submit a copy of the explanation of payment that comes with the check so we can determine any discounts that are to be made on the charges.

VI. NOTIFY US IMMEDIATELY OF ANY CHANGES IN YOUR INSURANCE OR CHANGES IN YOUR ADDRESS AND TELEPHONE NUMBER: Failure to notify us of changes or failure to notify us of all insurance coverages that are in effect could result in unnecessary patient responsibility of charges. It is extremely important to notify us if the services you are having are related to an accident or injury. We will need the date of this injury and the insurance that may be responsible for coverage. Failure to do so could result in denial of payment from your medical insurance carrier.
